

SINCE 1992
NAIL ACE
MANUFACTURER & EXPORTER

Nail Ace

KOREA NO.1 MANUFACTURER OF NAIL PRODUCTS

Company Profile

Founded in 1992, Nailace Co.,Ltd. is currently one of the leading manufacturers and exporters nail files, nail buffers, image shine buffers and foot files, located in South Korea.

We have exported these items to the major markets in USA, Europe, Eurasia and Asia since 1992.

And we made great strides in our new techniques and products through the continuous research based on our longstanding business experiences.

Greeting

We take great pride in introducing our company as one of the leading manufacturers and exporters of nail files, nail buffers, image shine buffer, foot files, and nail art tools, located in South Korea.

We have to say that, as one of the leading manufacturer, we provide the best quality with fast and accurate product lead time.

Every possible support will be rendered to your company.

We promise that we will be a trustworthy business partner of yours.

Thank you.

Sincerely yours,

Sun Kyoung Shin / CEO

Full Color Printing System

1. We have our own patent for outstanding color expression of the design.
2. The printed surface is not erased by liquids even it is a full-color design.
3. Even elaborate and complex designs can be printed clearly.
4. By printing, not only the waterproof function but also the durability of product is enhanced.

Na Professional

NA Professional is launched not only for ordinary users specialized in Professional users. It will give you the extra ordinary experience performing with high-quality & fancy design.

NA Nail File / Zebra File

Nail files are nail care implements used in smoothing and adjusting the nails for better looks after trimming. Also, it helps to sharpen the ends of your nails.

NA Sponge File

Sponge file has various grits (coarse to fine) for the surface.

NA Magic Shiner

Shiners take off stains of nail surface and bring it to a high shine, all without chemical treatments or expensive manicures.

NA Wooden File

Wooden files help to sharpen the ends of your nails.

NA Sanding Block

Sanding Block helps to modify your nail length and shape.

NA 4way Block Shiner / NA 2way Sandwich Shiner

Buff your nail surface with roughest side (400 grit, green) gently. With the smoothest part (3000 grit, Image), polish your nails until they look shiny.

NA Foot File

This NA Foot File is the premium product with 100% washable function and 3-4 times longer durability than regular product.

It also can be used on dry & wet foot as well. It is used to remove calluses and smooth the skin of the feet.
